Water  
is  
essential

**H**ow many times do you use tap water in a day? We use it for drinking, cooking, washing clothes, taking showers and baths, flushing toilets, and watering plants and gardens.

Most of us take our water for granted—we just turn on the tap, and the water flows. Yet, when low-income families are unable to pay for their water service, going without it may become a reality.

But you can help. By donating to WaterWorks you can assist people in need by keeping the water flowing to their homes.

**S***aint Paul Regional Water Services* serves approximately 417,000 residents of Saint Paul and several surrounding communities. The utility is governed by the Board of Water Commissioners and is entirely self-supporting. Operating revenues are obtained solely through the sale of water and payment for services provided to other entities; no taxes are used to support the water utility.

# Water Works

WaterWorks is a voluntary contribution program initiated by Saint Paul Regional Water Services (SPRWS) and administered jointly by SPRWS and Community Action Partnership of Ramsey and Washington Counties.

Your generous contribution will assist low-income families with their water and sewer bills.

Under the WaterWorks program, assistance will be limited to annual maximum amounts per recipient.

To be eligible for assistance, families must:

- ◆ be in financial crisis
- ◆ qualify under low income guidelines established by the Minnesota Department of Commerce
- ◆ have had their water service terminated or be in danger of termination

The Community Action Partnership also works in partnership with program recipients to promote self-sufficiency.

*For more information about WaterWorks, contact SPRWS Customer Service at 651-266-6350.*

*Contributions to WaterWorks can be made either on a regular basis or with a one-time gift. Indicate your preference by filling out this form and returning it in the enclosed reply envelope.*
